ENENING ENTERTAL MENTS

Last Friday evening a large crowd gathered at Florence Love's and had a very enjoyable entertainment. Some nice garnes were carried on, and a plate of delicious candy was good . Miss Wier, who has a music class here, played some of her 'nice instrumental pieces on the piano.

Saturday evening some, who was not at the entertainment the night before, saccoeded in getting a party' at Julius 'Crow's, which consisted of a good time crowd. Mr. Crow has an electric instrument for taking electric shocks, which monopolized the interest of a good many, seeing how many volts they could stand. Some good games were played, and a good time was enjoyed until a late hour Saturday night.
